

The Woods (feat. Tresor)

[Majozi](#)

rise up this mornig
skies so clear
the storm is gone
kiss the light and let go of your fear
ow my dear
embrace the light of dawnstep out out of your shell
let my love dry your tears
let my arms hold you close
your my gold
to hold and tresurewould you lend me your heart
honestly
i'll guide you out of the woods
shield you with my love
endlessly
even when were out of the woods(hey hey hey)oooo ooo oooo oooooi feel your heart beat paceing
your mind's racing
keep you head uphold on tight to me
as we watch the world fall at your featstep out out of your shell
let my love dry your tears
let my arms hold you close
your my gold
to hold and tresurewould you lend me your heart
honestly
i'll guide you out of the woods
shield you with my love
endlessly
even when were out of the woods
x2(hey hey hey)oooo ooo oooo ooo(hey hey hey)i feel you heart beat pacing
your mind's racing
keep your head up
hold on tight to me
as you watch the world fall at you feet.
