

Sleep Eater

Slothrust

You've been talkin' in your sleep,
you keep me up all night,
you keep me up all night.

Ambien makes you sleep eat,
and so you ate all night,
yeah you ate all night.

Telling jokes that lack a punchline.
I loved (my head?).
Oh, were you dreaming of me,
were you dreaming about me dreaming?

Cereal in the shape of ghosts;
nothing in your milk,
nothing in your mouth.

Fruit Loops look like inner tubes,
in your Grandma's pool;
Were you floatin' around?

Were you dreamin' about the graveyard?
If you were I'll sleepwalk there with you,
I'll be tombstoned too.

Eagles wearing women's shoes,
(stuffing?) in the sky
(stuffing?) up the clouds.

Dogs turn into other dogs,
in your neighbor's yard,
they were barking around.

You were there shape shifting too.
Now I trust you less than I did before,
but it's not even your face anymore.

You've been talking in your sleep,
you keep me up all night.
