

Just 'b' Straight

Silkk The Shocker

(chours)

People always talkin 'bout (I'm what, say what? I'm what, say what?)

You're a hustler (I'm what, say what? I'm what, say what?)

I don't care what the others think, just be straight with me (I'm what
Say what?)

Verse 1-silkk

Huh? huh? huh?

I know I take chances to make sure I'm sittin tight

Do I get how I live, sometimes I don't get it right

My gold and platinum plaques make you know what we did

Have the whole world wonderin what silkk the shocker, master p did

See it ain't no limit, it's only the beginnin

Why 'cause all y'all want us to fall, and hit the wall

It'll only take a minute, an see I gets the bomb tree

Beats by the pound shit, it's ? ? ? , rolex, an baguettes all around me

I take this out the ghetto an live up on top

Takin flights, an shoppin sprees, ? ? ? on yachts

See money don't change me, make me live a lil bit good

Took some of my, family members, an my homies out the hood

See we ghetto millionaires, far away when we meet

I think they watched us p 'cause about when we speak

See I'm too deep to change, everybody know my name

I guess I gotta charge it 2 da game

(chorus)

Verse 2-master p

Ughhh! green money, I like to count honey,

My only bad habit that I like to sell b's honey

We hot check the billboard spot

24 g's an p's to make a club rock

Now they violent, gotta get it rowdy

Peep game gotta benz, lex luger in or out it

Don't hate me, the money don't make me

It's gonna take 200 million just to break me

'cause I'm a soldier, I thought I told ya

I like that doja, but hate the rollers

Crystal, greed, an hinace, got cream

Makes a brother in a bentley, from the ghetto

There ain't no limit 'cause we livin large

Bought a rolex, a yacht with a gold card
You done lately, your girl wanna date me, in my grill
For, ughhh! an I'm straight g
(chorus)

Verse 3-silkk

I guess they call me a hustler, 'cause of the fast livin
But if I see somethin I gotta get it, because I have vision
An if I like it, I gotta get, if I saw it
Went from, over the shows, over the doors
House full of floors that's marble, a brand new ferrari
Parked it, when I bought it, see I'm a no limit soldier
An I came to get it started, what you, what you think,
I'm all about my bank, tryin to be a multi-millionaire
Before I'm old enough to drink, now we can ride bro, no lie bro
See nobody be here beside us, so go ahead an fire it up
Some girls wanna perk it, my homies like to work it
Soldiers from texas, all the way to jersey
Tick to the tock, all around the clock
From the north, to the south, to the east, to the west, it just don't stop
So to all my real g's, throw them up high
To all the ballers that have the corks of crystal let it fly
That's how we live

(chorus)

Master p/silkk

No limit say what? I'm what say what? new orleans say what? I'm what say
What? south side say what? ugh! I'm what say what? east side say what?
I'm what say what? west coast say what? I'm what say what? north side
Say what? I'm what say what? silkk the shocker say what? I'm what say
What? no limit say what? I'm what say what? ha ha, playas, congradulate,
Ain't no hatin on this side, where the money at? that's what hustlin is
About, you heard me? master p, silkk the shocker, hustlin till the
Izend, movin thangs how we get it, we gonna get it, how we livin.
