

# Tears from the Moon

## Lunascap

Couldn't sleep  
So I went out walking  
Thinking about you  
Hearing us talking  
And all the things  
I should have said  
Echo now inside my head

I feel something  
Falling from the sky  
I'm so sad  
I make the Angels cry

Tears from the Moon  
Fall down like rain  
I reach for you  
I reach in vain  
Tears from the Moon  
Tears from the Moon

It just ain't fair  
This thing called Loving  
When one's still there  
And the Other feels nothing  
I would have done  
Anything for you  
I still love you, Baby I do  
All day I keep  
From falling apart  
But at night  
When the sky gets dark

Tears from the Moon  
Fall down like rain  
I reach for you  
I reach in vain

Stop  
Stop haunting me  
It should be easy

As easy as when you  
Stopped wanting me

Tears from the Moon

Tears from the Moon  
Fall down like rain  
I reach for you  
I reach in vain

Tears from the Moon  
Tears from the Moon  
Tears from the Moon  
I reach in vain
