

Citizen Erased (Live from Le Zenith)

Muse

Break me in, teach us to cheat
And to lie, cover up
What shouldn't be shared
And the truth's unwinding
Scraping away at my mind
Please stop asking me to describe
For one moment
I wish you'd hold your stage
With no feelings at all
Open-minded
I'm sure I used to be so free
Self-expressed, exhausting for all
To see and to be
What you want and what you need
The truth's unwinding
Scraping away at my mind
Please stop asking me to describe
For one moment
I wish you'd hold your stage
With no feelings at all
Open-minded
I'm sure I used to be so free
For one moment
I wish you'd hold your stage
With no feelings at all
Open-minded
I'm sure I used to be so free
