

You've Changed

Marvin Gaye

Baby we both know
The things have really changed between us

You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
It's all over now, you've changed

You've changed
Your kisses now are so blasé
You're bored with me in every way
You're breaking my heart you've changed

You've forgotten the words I love you
Each memory that we've shared
You ignore every star above you
I can't realize that you ever cared

You've changed
You're not the angels I once knew
No need to tell me that we're through
It's all over now, you've changed

You've forgotten the words I love you
Each memory that we've shared
You ignore every star above you
I can't realize you ever cared

You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
It's all over now, you've changed
Yes it's over now, you've changed
(Now it's over, you've changed)

It's over baby
