

# Bad Boys

## Whitesnake

I know you, you know me  
I'm the black sheep of the family  
I'm in an' out of trouble  
I'm the talk of the town  
I get wild in the street  
When the sun goes down  
I steal around, like a thief in the night  
Dancing 'til the break of day  
Bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street  
Wild in the city  
I see you, you see me  
Just a black street boy in society  
With high-heeled women full of champagne an' lies  
Getting wild in the street  
'Til the hot sunrise  
Stealing round like a thief in the night  
Dancing 'til the break of day  
Bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street  
Wild in the city  
Wild in the city  
Wild in the city  
Bad, bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street  
Wild in the city  
I know you, you know me  
I'm the black sheep of the family  
I'm in an' out of trouble  
I'm the talk of the town  
I get wild in the street  
When the sun goes down  
I don't care what the people think

I can't hear what the people say  
I steal around like a thief in the night  
Dancing 'til the break of day  
Bad, bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street  
Bad, bad, bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street  
Wild in the city  
Undercover of moonlight  
Undercover of moonlight  
Undercover of moonlight
