

Blood On the Valley Floor

Soundgarden

All turns around
All together we stumbled
In there, a million pounds
Everyone with a raise around
And the smoke lies
On the valley floor
And the blood dries
While we spill some more
Once we were at the end
The end of a long road
Living to the skies
All the other remained crowns
And the smoke lies
On the valley floor
And the blood dries
In the summer these days
Children are alone
All alone with the point
Hey
Hey
Hey
Mountains are around
All together we tumbled down
And the smoke lies
On the valley floor
And the blood dries
While we spill
