

# All I Ever Need Is You

Sonny & Cher

Sometimes when I'm down and all alone  
Just like a child without a home  
The love you give me keeps me hangin' on  
Aw honey, all I ever need is you You're my first love, you're my last  
You're my future, you're my past  
And loving you is all I ask  
Aw honey, all I ever need is you Winters come and they go  
And we watch the melting snow  
But sure as summer follows spring  
All the things you do  
Give me a reason to spend me life around you Some men follow rainbows I am told  
Some men search for silver, some for gold  
But I have found my treasure in your soul  
My honey, all I ever need is you
