Don't Explain

Keith Ingham

Hush now, don't explain
Just say you'll remain
I'm glad you're back
Don't explainQuiet, don't explain
What is there to gain?
Skip that lipstick
Don't explainYou know that I love you
And what love endures
All my thoughts are of you
For I'm so completely yoursCry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweetHush now, don't explain
You're my joy and pain
I'm glad you're back
Don't explainYou know that I love you
What love endures
All my thoughts of you
For I'm so completely yoursCry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweetHush now, don't explain
You're my joy and pain
My life's yours, love
Don't explain
