

Blackout States

Michael Monroe

I'm falling down again
And I'm coming 'round
Is everything alright?
In this city of no lights I blocked out the stars again
And I shut down the night
'Cause I don't feel alright
In this city of no lights Well you...
Don't believe in love,
'Cause it's just an abbreviation
And I ...
Don't believe in fate, 'cause it left me here
Turn up the night
In a blackout state
You ain't shining bright
In a blackout state
Hidin' scars on tattooed arms
Hidin' hurt with drunken charm - it ain't fate
It's your blackout states blackout states Called out my man again - 3rd time tonight
But I just can't get it right
In this city of no lights The kids are heading home
But I got one more shot for the road
And I'm staying out tonight
In this city of no lights
Well you...
Don't believe in love,
'Cause it's just an abbreviation
And I ...
Don't believe in fate, 'cause it left me here Turn up the night
In a blackout state
You ain't shining bright
In a blackout state
Hidin' scars on tattooed arms
Hidin' hurt with drunken charm - it ain't fate
It's your blackout states Burning dusty drags, licking plastic bags
Shadows fading fast in this empty sphere Turn up the night
In a blackout state
You ain't shining bright
In a blackout state
Hidin' scars on tattooed arms

Hidin' hurt with drunken charm - it ain't fate
It's your blackout statesIt's your blackout states

It's your blackout states
