

From This Moment On

[Anita O'Day](#)

From this moment on,
 You for me dear,
 Only two for tea dear,
From this moment on,From this happy day,
 No more blue songs,
 Only hoop-de-doo songs,
From this moment onYou've got the love I need so much
 Got the skin I love to touch
 Got the arms to hold me tight
Got the sweet lips to kiss me goodnightFrom this moment on
 You and I babe
 We'll be ridin' high babe
 Every care is gone
From this moment on.You've got the love I need so much
 Got the skin I love to touch
 Got the arms to hold me tight
Got the sweet lips to kiss me goodnightFrom this moment on
 You and I babe
 We'll be ridin' high babe
 Every care is gone
 From this moment,
 From this moment,
 This very moment,
 This moment on.
