Let'sss gooo G-UNIT!!![Lloyd Banks]
I move the crowd like when the D's roll up
So the money in my jeans fold up
Hold up, don't get your eyes swolled up
All black and blue on a bottle
I love the beef, bitch smacking you ain't a problem
I got family in bronx, (heh) and family in the city
New Yitty, the home of Big L and Biggie (uhh)
I'm so pretty, pinky ring about fitty
Doing fifty in a Lac, with D Y on the track My boo no se limita a la hora de romper su boom-boom
Su curvas mas calientes que suuu ride-thruuu
