These Girls

Sticky Fingers

When i'm lying in her arms I'll be thinking bout you
I'll be thinking bout you babe, I'll be thinking bout you babe
Even when she smiles, I'll be thinking bout you
I'll be thinking bout you babe, I'll be thinking bout you babe
Even when I look discretely down into her eyes
You know i'm thinking bout that time
I spent between your thighs
Even then I wondered deeply through your glances
This girl will never careWhen i'm lying in her arms I'll be thinking bout you
I'll be thinking bout you babe, I'll be thinking bout you babe
And even when she cries, I'll be thinking bout you
I'll be thinking bout you babe, I'll be thinking bout you babeEven though I only see you on the tv screen
With all those boys and your toys
and your pleasured scream
I'll easy spend up all this loving for my dream girl
I don't want to shareWhen i'm lying in her arms I'll be thinking bout you
I'll be thinking bout you babe, I'll be thinking bout you babe
And even when it's wild I'll be thinking bout you
I'll be thinking bout you babe, I'll be thinking bout you babeI'm in love with that girl on page 16
Centrefold in that old paper magazine
Even when under these circumstances
Her curves don't compareI'll be thinking bout you
I'll be thinking bout youWhen i'm lying in her arms I'll be thinking bout you
I'll be thinking bout you babe, I'll be thinking bout you babe
When you're with that other guy,
I hope you're thinking bout me
I hope you're thinking bout me babe
Cuz i'm thinking bout you
