Prettyhead

Zz Top

Ohh ohh
OhhDon't send me no man, don't send me no skag
A pin headed whore won't do
Don't send me no square without some beehive hair
She got to have her rhythm with bluesGotta have a prettyhead, gotta have a prettyhead
Gotta have a prettyhead, I said, "Pretty head"Don't send nothin' lame, don't send nothin' tame
A scatter brained whore won't do
Don't send me no skang, don't send me nothin' rang
I want it hot, righteous and blueGotta have a prettyhead, gotta have a prettyhead
Gotta have a prettyhead, I said, "Pretty head babe"
Play the guitarSo, drop dead, big red, icy head, pretty, pretty head
Drop it [Inaudible]Don't send me no twig, don't send nothin' big
With a sideways, think a magic
Don't send me no pro, don't send nothin' low
Down and out, holdin' out whoreGotta have a prettyhead, gotta have a prettyhead
Gotta have a prettyhead, I said, "Pretty, pretty head"
