

# Never Had A Dream Come True

## Jackson 5

I never, never had a dream come true  
In my every day dream  
I'm loved by you  
And we're free as the wind, ah yeah  
And true love is no sin  
Therefore men are men not machines  
I never, never had a dream come true  
Without you the world out there  
Is painted shades of blue, yeah  
Since our roads never cross  
I work just to please the boss  
Think I might as well get lost in my dreams  
I never had a dream come true  
I guess I'm gonna, I'm gonna dream about you baby  
My whole life through, yeah  
Seems my folks are ashamed, ah yeah  
Said, I ain't worth a thing Lord, Lord  
But I'm glad I am chained to my dreams
