Just to Hold My Hand

Johnny Rivers

Comfortable as I am
I need your reassurance
And comfortable as you are
You count the daysBut if I wanted silence
I would whisper
And if I wanted loneliness
I'd choose to go
And if i like rejection
I'd audition
And if I didn't love you
You would knowAnd why can't you just hold me
And how come it is so hard
And do you like to se me broken
And why do I still care
still careYou say you see the light now
At the end of this narrow hall
I wish it didn't matter
I wish I didn't give you allBut if I wanted silence
I would whisper
And if I wanted loneliness
I'd choose to go
And if i like rejection
I'd audition
And if I didn't love you
You would knowAnd why can't you just hold me
And how come it is so hard
And do you like to see me broken
And why do I still carePoor little misunderstood baby
No one likes a sad face
But I can't remember life without him
I think I did have good days
I think I did have good daysAnd why can't you just hold me
And how come it is so hard
And do you like to se me broken
And why do I still care
