

# Listen Up (Remastered)

## Oasis

Listen up, what's the time?  
Said today, I'm gonna speak my mind  
Take me up to the top of the world  
I wanna see my crime  
Day by day, there's a man in a suit  
Who's gonna make you pay  
For the thoughts that you think and the words  
They won't let you say  
One fine day  
Gonna leave you all behind  
It wouldn't be so bad  
If I had more time  
Sailin' down a river alone  
I've been trying to find my way back home  
But I don't believe in magic  
Life is automatic  
But I don't mind being on my own  
No, I don't mind being on my own  
Listen up, what's the time?  
Said today, I'm gonna speak my mind  
Take me up to the top of the world  
I wanna see my crime  
Day by day, there's a man in a suit  
Who's gonna make you pay  
For the thoughts that you think and the words  
They won't let you say  
One fine day  
Gonna leave you all behind  
Wouldn't be so bad  
If I had more time  
Sailin' down a river alone  
I've been trying to find my way back home  
But I don't believe in magic  
Life is automatic  
But I don't mind being on my own  
No, I don't mind being on my own  
No, I don't mind being on my own  
I said that I don't mind being on my own  
Sailin' down a river alone

I've been trying to find my way back home  
But I don't believe in magic  
Life is automatic  
But I don't mind being on my own  
I said that I don't mind being on my own  
No, I don't mind being on my own  
I said that I don't mind being on my own  
No, I don't mind being on my own  
I said that I don't mind being on my own
