

# Over (DJ Hunt Remix)

Drake

I know way too many people here right now  
That I didn't know last year, who the fuck are y'all?  
I swear it feels like the last few nights  
We been everywhere and back  
But I just can't remember it all What am I doin'? What am I doin'?  
Oh, yeah, that's right, I'm doin' me  
I'm doin' me  
I'm livin' life right now, mayne And this what I'm a do 'til it's over  
'Til it's over  
But it's far from over Bottles on me, long as someone drink it  
Never drop the ball, fuck are y'all thinkin'?  
Makin' sure the Young Money ship is never sinkin'  
'Bout to set it off, in this bitch, Jada Pinkett  
I shouldn't've drove, tell me how I'm gettin' home  
You too fine to be layin' down in bed alone  
I could teach you how to speak my language, Rosetta Stone  
I swear this life is like the sweetest thing I've ever known  
'Bout to go Thriller Mike Jackson on these niggas  
All I need's a fucking red jacket with some zippers  
Super good smiddoke, a package of the swishers  
I did it overnight, it couldn't happen any quicker  
Y'all know them? Well, fuck it, me either  
But point the biggest skeptic out, I'll make him a believer  
It wouldn't be the first time I done it, throwin' hundreds  
When I should be throwin' ones, bitch, I run it (Ah) I know way too many people here right now  
That I didn't know last year, who the fuck are y'all?  
I swear it feels like the last few nights  
We been everywhere and back  
But I just can't remember it all What am I doin'? What am I doin'?  
Oh, yeah, that's right, I'm doin' me  
I'm doin' me  
I'm livin' life right now, mayne And this what I'm a do 'til it's over  
'Til it's over  
But it's far from over One thing 'bout music, when it hits you feel no pain  
And I swear I got that shit that make these bitches go insane  
So they tell me that they love me, I know better than that, it's just game  
It's just what comes with the fame, and I'm ready for that, I'm just sayin'  
But I really can't complain, everything is kosher  
Two thumbs up, Ebert and Roper

I really can't see the end getting any closer  
But I probably still be the man when everything is over  
So I'm riding through the city with my high beams on  
Can you see me? Can you see me? Get your Visine on  
Y'all just do not fit the picture, turn your widescreen on  
If you thinkin' I'm a quit before I die, dream on  
Man, they treat me like a legend, am I really this cold?  
I'm really too young to be feelin' this old  
It's about time you admit it, who you kiddin', man?  
Man, nobody's never done it like I did it (Ugh) I know way too many people here right now  
That I didn't know last year, who the fuck are y'all?  
I swear it feels like the last few nights  
We been everywhere and back  
But I just can't remember it all What am I doin'? What am I doin'?  
Oh, yeah, that's right, I'm doin' me  
I'm doin' me  
I'm livin' life right now, maybe And this what I'm a do 'til it's over  
'Til it's over  
But it's far from over  
Yeah, that's right, I'm doin' me  
I'm doin' me  
I'm livin' life right now, maybe And this what I'm a do 'til it's over  
'Til it's over  
But it's far from over
