

# You Are Here

William McDowell

You are here  
You are here now  
Have Your way  
As we bow down  
You are here  
You are here now  
Have Your way  
As we bow down  
Here I am  
Drawn by Your presence  
As I stand in holy ground  
When You speak everything changes  
And I will never be the same  
'cause You are here  
You are here  
You are here now  
Have Your way  
As we bow down  
You are here  
You are here now  
Have Your way  
As we bow down  
Lord You hear  
The cry of Your people  
How we long  
For more of You  
When You move  
Everything Changes  
And we will never be the same  
You are here  
You are here now  
Have Your way  
As we bow down  
You are here  
You are here now  
Have Your way  
As we bow down  
You are here  
You are here now

Have Your way  
As we bow down  
You are here  
You are here now  
Have Your way  
As we bow down  
Take control  
Here right now  
Take control  
Here right now  
Take control  
Here right now  
Take control  
Here right now  
Hear the cry of Your people  
Take control  
Here right now  
We surrender all to You  
Take control  
Here right now  
We surrender all  
Take control  
Here right now  
Take control  
Here right now  
You are here  
You are here now  
Have Your way  
As we bow down  
You are here  
You are here now  
Have Your way  
As we bow down  
Take control  
Here right now  
Take control  
Here right now  
Take control  
Here right now  
Take control  
Here right now  
You are here  
You are here now  
Have Your way  
As we bow down

You are here  
You are here now  
Have Your way  
As we bow down
