

# Dark Moon

## Elvis Presley

Dark moon, way up high up in the sky

Oh, tell me why, oh tell me why

You've lost your splendor

Dark moon, what is the cause your life withdraws

Is it because, is it because I've lost my love  
Mortals have dreams of love's perfect schemes  
But they don't realize, their love can sometimes bring the

Dark moon, way up high up in the sky

Oh, tell me why, oh tell me why

You've lost your splendor

Dark moon, what is the cause your life withdraws

Is it because, is it because I've lost my love  
Mortals have dreams of love's perfect schemes  
But they don't realize, their love can sometimes bring the

Dark moon, way up high up in the sky

Oh, tell me why, oh tell me why

You've lost your splendor

Dark moon, what is the cause your life withdraws

Is it because, is it because I've lost my love  
Mortals have dreams of love's perfect schemes  
But they don't realize, their love can sometimes bring the

Dark moon, way up high up in the sky

Oh, tell me why, oh tell me why

You've lost your splendor

Dark moon, what is the cause your life withdraws

Is it because, is it because I've lost my love  
Mortals have dreams of love's perfect schemes  
But they don't realize, their love can sometimes bring the

Dark moon, way up high up in the sky

Oh, tell me why, oh tell me why

You've lost your splendor

Dark moon, what is the cause your life withdraws

Is it because, is it because I've lost my love  
Mortals have dreams of love's perfect schemes  
But they don't realize, their love can sometimes bring the

Dark moon, way up high up in the sky

Oh, tell me why, oh tell me why

You've lost your splendor

Dark moon, what is the cause your life withdraws

Is it because, is it because I've lost my love  
Mortals have dreams of love's perfect schemes  
But they don't realize, their love can sometimes bring the

Dark moon, way up high up in the sky

Oh, tell me why, oh tell me why

You've lost your splendor

Dark moon, what is the cause your life withdraws  
Is it because, is it because I've lost my love  
What is the cause your light withdraws  
Is it because, is it because I've lost my love
