

Wildest Moments

Liquid Hits

You and I - bloodlines
We come together every time
Two wrongs, no rights
We lose ourselves at night
From the outside, from the outside
Everyone must be wondering why we try
Why do we try
Baby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
Baby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
Wait on, thunder sky
Wherever there's smoke, there'll soon be fire
What could bring bad luck
I've been looking at you too much
From the outside, from the outside
Everyone must be wondering why we try
Why do we try
Baby in our wildest moments

We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
Baby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
In the middle of it
We walk, we walk the line
Looking back i miss it
Our wildest moments
Are you thinking what if
What if we ruined it all
My wrecking ball
From the outside, from the outside

Everyone must be wondering why we try
Why do we try
Baby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
Baby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
