

# I Can't Understand It

## Cheap Trick

Back against the wall but you know the  
Weekend's on it's way  
Waiting for the fall but you know the  
Weekend's on it's way I got my eyes on you  
I see some trouble comin' into view  
Don't you know that I'm doin' alright on my own? I can't understand it  
What's a matter with you  
I can't understand it  
What's a poor man to do Walking down the hall please stop in  
Anytime of day  
Let's do more than talk about the  
Weekend games we play I set my sights on you  
Let's make tonight a deep interview  
Don't you know that I'm doin' alright on my own? I can't understand it  
What's a matter with you  
I can't understand it  
What's a poor man to do I ain't out to destroy you  
I'm comin' out to enjoy you  
It's just a case of paranoia in my brain I've got my eyes on you  
I've got my gun loaded just for two  
If you knew my feelings I'm tellin' the truth I can't understand it  
What's a matter with you  
I can't understand it  
What's a poor man to do  
...
