

# La la Love

## Rose Cora Perry

You say Iâ€™m what you love  
who you wanna hold at night  
and kiss until the next sunrise

You say Iâ€™m your everything  
Want me to wear your promise ring  
And keep you in my heart  
forever

I say too many times  
have I walked down this line  
And been so misused  
Had my heart ripped in two

But when you look into my eyes  
I get a feeling Iâ€™ve never felt inside  
that lets me know itâ€™ll be alright  
and tells me so that this is right

And I say I love you (and you say you love me)  
And I say I love you (and you say you love me)

You say Iâ€™m your perfect one  
when Iâ€™m with you, itâ€™s always fun  
And when I am gone, I still feel nearby

You say you need me by your side  
To be sure to keep you in line  
Even though I know youâ€™ll always be true  
Thereâ€™s no other quite like you

I feel the same when youâ€™re around  
It scares me to say â€I love youâ€™ outloud  
And I know that this must be true  
Cause you feel the same way that I do

And even though Iâ€™ve been hurt before  
I know I wonâ€™t fight that same war  
Cause my heart and head agree

Youâ€™re the perfect boy for me

I say youâ€™re what I love  
Who I wanna hold at night  
And kiss until the next sunrise
