Don't Worry 'Bout Me

[Annie Ross](#)

Don't worry 'bout me
I'll get along
Forget about me
Just be happy my loveLet's say that our little show is over
And so the story ends
Why not call it a day the sensible way
And still be friendsLook out for yourself
That should be the rule
Give your heart and your love
To whomever you love
Darlin' don't be a foolWhy do we cling to this old faded thing
That used to be
So if you can forget
Then don't worry 'bout me
