

# See the World (Remix)

## Steppa Style

mi waan fi see the world  
and nobody cyaan stop me from dat, with politics and borderline trap  
mi waan fi love mi girland spread righteousness to world,  
trying hard to get lifetime unfurledmi waan fi see the world  
and not gonna descend from mi course,  
pass di best and nuh fi pass the worst  
mi waan fi love mi girl  
devoting whole life to me pearl, to di most high god mi referwell life is full a obstacles and ting, but our time a  
running  
and if ya search fi loving ya fi learn di discipline,  
no negative energie fi bring - all a dat turn heartbeat to di string  
last night me had a dream dat me fi touch di road again  
to see beautiful places and meet some conscious frends  
somewhere in tibet, addis-ababa, jerusalem  
where atmosphere is clean and vibe is pure and exellentdem escaping from di place whe people get paralyzed  
dem blind and deaf, how come dat dem cyaan open their eyes  
unno fi release the shackles and see birds inna di skyes  
me a go fight fi consciousness until mi loose mi voicelongside di powa a di earth we must learn and affi grow  
and if ya badmind ya life fi fall like domino  
sometimes its hard fi chase di devil from ego  
try fi forgive, and forget, and let gomi waan fi see the world  
and nobody cyaan stop me from dat, with politics and borderline trap  
mi waan fi love mi girl  
and spread righteousness to world,  
trying hard to get lifetime unfurled  
mi waan fi see the world  
and not gonna descend from mi course,  
pass di best and nuh fi pass the worst  
mi waan fi love mi girl  
devoting whole life to me pearl, to di most high god mi referi met whole heap a good people inna di globe  
no matta where mi go - east, west, north and south  
god see all human being without a microscope  
unno betta start fi clean ya karma till we get - all out!mi bawl fi love, tenderness an sweetness  
mi bawl fi kinda feeling - emperor and empress  
ya nuh fi fraid - ya nuh fi worry, nuh fi vex  
and ready fi share together - our life progressmi seh mi fire bun, and mi cyan stop disya one  
ya got me hypnotised and it a part a di plan  
many good and bad tings coulda gwaan  
but until we near me nuh go fear no babywrongshore di vibes dem gonna come, and dem wouldnt see we done,

watch di words deh pon ya tongue, oh lordand fi shore ya nuh fi aks, where its soft and where rocks,  
where the keys and where di locks, everyting a sekkle fast
