My Love's Unchanged

George Canyon

Traveling down this lonely road
Sometimes it's hard, sometimes it's cold
But I do it all to be with you
I feel the rain beatin' on my face
I taste the dusty winds embrace
But I do it all to be with youMy heart and soul belongs to you
My love is strong and ever true
I don't know if I'll ever change
I'm here right now and it's still the same
My loves unchangedSometimes I wonder if you feel this way
It's hard for me to see that you would stay
There for me like I'm here for you
Traveling back to where you are
It's been a long time I've come so far
I did it all to be with youMy heart and soul belongs to you
My love is strong and ever true
I don't know if I'll ever change
I'm here right now and it's still the same
My loves unchangedDid it all have to be this way
Is there anything I can say
Should I scream your name
For my loves unchangedTraveling down this lonely road
Sometimes it's hard, sometimes it's cold
But I do it all to be with you
I feel the rain beatin' on my face
I taste the dusty winds embrace
But I do it all to be with youMy heart and soul belongs to you
My love is strong and ever true
I don't know if I'll ever change
I'm here right now and it's still the same
My loves unchanged
Yeah my loves unchanged
Wow my loves unchanged
