I'm Falling

The Bluebells

Intro:
I I I I I I (x2)
Verse 1:
(Aye baby) Where you come from?
(Aye baby) You snuck up behind me.
(Aye baby) We've only just begun
(Aye baby) But I'm all and you got me
(Aye baby) People got it all wrong
(Aye baby) When they say love is hopeless
(Aye baby) Love is what you want
(Aye baby) No distractions, man I'm focused
Hook:
Hands were meant, meant to be held and
Lips were meant, meant for sweet kisses (uh)
Hearts were meant, meant to feel love
And you give me more, than enough!
Chorus:
You make love, so fun
Maybe you're, the one
Even though we've just, begun
I'm falling
And some say love, is hard
And I should hold, my guard
But tonight I'll give(give you my heart), my heart
I'm falling, Woah, oh, oh
I I I I I I've fallen in love and I can't get up no
I I I I I I I've fallen down (in love)
And I don't care who knows about it
They can all go talk about how

I---------- I found love
Verse 2:
(Aye baby) I cry when I laugh
(Aye baby) I feel so lucky
(Aye baby) Hope this feeling don't pass
(Aye baby) And you're the drum of my heartbeat
(Aye baby) I can do anything
(Aye baby) With you right by my si--ide
(Aye baby) They say love is blind

(Aye baby) But it's also hard to find
Hook:
Hands were meant, meant to be held and
Lips were meant, meant for sweet kisses (uh)
Hearts were meant, meant to feel love
And you give me more, than enough!
(Chorus: x2)
You make love, so fun
Maybe you're, the one
Even though we've just, begun
I'm falling
And some say love, is hard
And I should hold, my guard
But tonight I'll give(give you my heart), my heart
I'm falling, Woah, oh, oh
I I I I I I've fallen in love and I can't get up no
I I I I I I I've fallen down (in love)
And I don't care who knows about it
They can all go talk about how
I---------- I found love
