Dozen Girls

The Damned

won't you tell me the reason why
he goes out almost every night?
he never goes too far,he's always
the one who's got it rightchorushe's got charm
he's got style
he's got a dozen girls
tell me why,i don't know why
he's got a dozen girls
now he's always the one with all the hooks
when it comes to making it with you
now i would be there in his place if only
i knew what it is i had to dorepeat chorus twice
