

The Equaliser

Clinic

Want to, want to put you together
Want to more and more
Want to, want to put you together
Want to more and more Want to brake the biggest smile
Peeking out of either eye
Come and come
And look we're on a roll Are you an acceptable host?
Are you an acceptable host?
Are you an acceptable host?
All for the best and the best then we left so Have to, have to, put you together
Have to more and more
Have to, have to, put you together
Have to more and more Have to with the biggest smile
Peeking out of either eye
Come and come
And look we're on a roll Are you an acceptable host?
Are you an acceptable host?
Are you an acceptable host?
All for the best and the best then we left so Want to, want to put it to bed
And want to more and more
Want to, want to put it to bed
And want to more and more Want to with the biggest smile
Peeking out of either eye
Come and come
And look we're on a roll Are you an acceptable host?
Are you an acceptable host?
Are you an acceptable host? Are you an acceptable host?
Are you an acceptable host?
Are you an acceptable host?
All for the best and the best then we left so
