Do it again!We are the other people  
We are the other people  
You're the other people too  
Found a way to get to you...  
Do you think that I'm crazy?  
Out of my mind?  
Do you think that I creep in the night  
And sleep in a phone booth?  
Lemme take a minute & tell you my plan  
Lemme take a minute & tell who I am  
If it doesn't show  
Think you better know  
I'm another person  
Do you think that my pants are too tight  
Do you think that I'm creepy?  
Lemme take a minute & tell you my plan  
Lemme take a minute & tell who I am  
If it doesn't show  
Think you better know  
I'm another person (the verse that really  
Goes here has been censored out &  
Recorded backwards in a special section  
At the end of side one...)  
We are the other people  
We are the other people  
You're the other people too  
Found a way to get to you  
We are the other people  
We are the other people

You're the other people too  
Found a way to get to you  
Do you think that I love you...  
Stupid & blind?  
Do you think that I dream through the  
Night  
Of holding you near me? Lemme take a minute & tell you my plan  
Lemme take a minute & tell who I am  
If it doesn't show  
Think you better know  
I'm another person
