As The Days Go By

Daryl Braithwaite

My love of life just gets stronger
As the days go by
Somethings I wish, they would last
Just a little bit longer
As the days go bySomethings don't look to me
Like they used to be, noAs the days go by, I get a little closer to
As the days go by, a little bit closer to you
As the days go by, I get a little closer
I'm coming back to youSure as the wind
Keeps on changing direction
I've come to understand
There's no such a thing as perfectionAnd what went on before
Doesn't matter anymoreAs the days go by, I get a little closer to
As the days go by, a little bit closer to you
As the days go by, I get a little closer
I'm coming back to you
To you, to you'Cause things don't look to me
Like they used to beAs the days go by, I get a little closer to
As the days go by, a little bit closer to you
As the days go by, I get a little closer toAs the days go by, a little bit closer to you
As the days go by, I get a little closer
I'm coming back to youDays go by
