

# I Will Always Love You

If I should stay  
I would only be in your way  
So I'll go  
But I know  
I'll think of you each step of the way  
And I will always love you  
Oh, will always love you  
Bittersweet memories  
That's all I am taking with me

Goodbye  
Please don't cry  
We both know I'm not what you need  
And I will always love you  
Oh, will always love you  
And I will always love you  
Oh, will always love you  
I will always love you
