

Can't Stop Loving You

Nick Lachey

Don't think I can ever stop
I can't help the way I'm feelin'
So babe, tell me what you got
My love, you know that you can steal itMy head is reelin'
Everyone has got a price to pay, yeah
Been hurt, baby took my licks
But ain't no use in cryin'
You're my drug, gotta get my fix
Somehow you keep my spirit flyin'
There's no denyin'
Wouldn't have it any other way, no, noAnd after everything you put me through
All I think about is youHey, I can't stop lovin'
No, I can't stop lovin' you
(Gonna blow a fuse) No, I can't stop lovin'
(If I can't have you) No, I can't stop lovin' youAre you lookin' for another man
My heart can't keep from breakin'
He can't give it to you like I can
Don't you know you're makin' a mistake, yeahMy body's achin'
Gotta find a way to make you stay, yeah, yeahCause nothin' ever felt so good
As when I'm makin' love to you(One plus one is two) Hey, I can't stop lovin'
(Nothin' left to prove) No, I can't stop lovin' you
(Gonna blow a fuse) No, I can't stop lovin'
(If I can't have you)Hold on to this emotion (hold on to this emotion)
Hold on to me tonight (hold on to me tonight)
Love's an infinite ocean (love's an infinite ocean)
Don't let it dieHey, I can't stop lovin'
No, I can't stop lovin' you
(Gonna blow a fuse) No, I can't stop lovin'
(If I can't have you) I can't stop lovin' you, oh no
(One plus one is two) You know I can't stop lovin' you
(Nothin' left to prove) No, I can't stop lovin' you
(Gonna blow a fuse) No, I can't stop lovin'
(If I can't have you) Oh, I can't stop lovin' you
(One plus one is two) Hey, I can't stop lovin' you, oh no
(Nothin' left to prove) Oh no, I can't stop lovin' you
(Gonna blow a fuse) Hey, I can't stop lovin', no
(If I can't have you) No, I can't stop lovin' you.
