Susan

The Buckinghams

(Holvay/Beisbier/Guercio) Susan, looks like I am losin'

I'm losin' my mind (losin' my mind)

I'm wastin' my time Susan do you have to be confusin'

I ask myself why you're sayin' goodbye No other girl could ever take the place of you

Though you're hurtin' me

You know I'll always be thinkin' of you

Girl I always love you Love love love love...

I love you, yes I do, I do (2x) Susan I love you
