

No Lies

Grand Funk Railroad

Oh, I got one thing to tell ya', then you make up your mind

It's what I been tryin' to tell ya', for a long, long time

We need each other, to live in peace and harmony

Don't need a whole lot to give, 'cause love is for free

I, I got one thing to tell ya

I, ooh, I ain't tryin' to sell ya

No lies

Forget all of your troubles, for a minute or two

Just listen to what I'm sayin', 'cause I'm talkin' to you

We don't need no leader, to tell us just what's wrong

We need love in the country, so we can get strong

And I, oh, you know, I got one thing to tell ya

I, ooh, I ain't tryin' to sell ya

No lies

I, I got one thing to tell ya

I, ooh, I ain't tryin' to sell ya

No lies

I, I got one thing to tell ya

I, ooh, I ain't tryin' to sell ya

No lies
