Never You Change

[The Maytals](#)

Let me hear you again, now, oh baby, sirSweetheart, darling, bear in mind all the time
That a constant friend is hard to find, find
But when you find one that is good and kind, ohNever you change, never you change
Old for new, oh darling
Never you change, never you change
Old for newBecause I love you, is that I want you to know
That I really, really, really love you so
So, so, so, darling, you remember when we both were small
I never fall in love before, but it's you my heart is aching forOoh, ooh, my people
Just keep on, darling, bear in mind all the time
That a constant friend is hard to find, find
But when you find one that is good and kindNever you change, never you change
Old for new, oh darling, please never you change
Never you change
Old for new, oh darling, never, never
Never you change
Old for new, oh darling
