Almost Persuaded

David Houston

Last night all alone in a barroom Met a girl with a drink in her hand She had ruby red lips coal black hair and eyes That would tempt any manThen she came and sat down at my table And as she placed her soft hands in mine I found myself wanting to kiss her For temptation was flowing like wineAnd I was almost persuaded To strip myself of my pride Almost persuaded To push my conscience asideThen we danced and she whispered I need you Take me away from here and be my man Then I've looked into her eyes And I saw it, the reflection of my wedding bandAnd I was almost persuaded To let strange lips lead me on Almost persuaded But your sweet love made me stop and go home
