Juice

Kris Wu

This shit jump in ears active
Heard your ass called last, but that bitch passed it
Beezies are more menages
Got my foot on the gas with the gassed out cars
'Cause y'all nowadays make me nervous
Got tired with the law, they gon'drop all the charges
Hoes nowadays on the carcass
Got called from my dog who supply all my sauces
Can't lose, I got juice
And they know I do
Can't lose, I got juice
And they know I do
Come through with your posse
Gettin'nasty
'Cause I got the sauce, yeah
Can't lose, I got juice
And they know I do
Y'all nowadays make me anxious
I'ma need more space, so the new place spacious
Y'all nowadays imitations
Whether cloned or the real, know it ain't no replacin'
Too much sauce on the roster
Let the raw starts pass, then I whip with my dog, yeah
I'm only here for it all, yeah
All y'all wanna all drop the ball in the process
Can't lose, I got juice
And they know I do
Can, t lose, I got juice
And they know I do
Come through with your posse
Gettin'nasty
'Cause I got the sauce, yeah
Can't lose, I got juice
And they know I do
Hold up, I do this, I'm the person you notice
I pull up in that newness, I get in, girl what you doin'
That champagne campaign, ain't worry 'bout a damn thang
Got the diamond studs in, got the girls dancin' I make 'em do it
She shake it, make it jiggle, make it pop

She drop it low, I'm throwin'money nonstop
Work, work, work, work, that's a lot
You deserve somethin' new off the lot
Can't lose, I got juice
And they know I do
Can't lose, I got juice
And they know I do
Come through with your posse
Gettin' nasty
'Cause I got the sauce, yeah
Can't lose, I got juice
And they know I do
Can't lose, I got juice
And they know I do
Can't lose, I got juice
And they know I do
Come through with your posse
Gettin' nasty
'Cause I got the sauce, yeah
Can't lose, I got juice
And they know I do
