## **Bubble Pop Electric**

## **Gwen Stefani**

I'm empty, I need fulfilling, yes I do love

To the ceiling when I do love

I get this feeling when I'm in loveI'm restless, can't you see I try my bestest

To be good girl, because it's just us

So take me now and do me justiceI'm waiting patiently anticipating

Your arrival and I'm hating

It takes so long to get to my house, to take me outTonight, I'm gonna give you all my love in the back seat

Bubble pop electric, bubble pop electric

Gonna speed it down and slow it up in the back seat

Bubble pop electric

Uh-oh, in the back seatOk now, I understand he's on his way now

But jeez Louise, I mean today now

I can't wait, I wanna play nowI'm antsy, bubble pop electric pansies

My sweet tooth, I want your candy

The Queen of Eng would say it's randyI'm itchy, I wish you would come and scratch me

Tonight I'm falling, won't you catch me?

Swoop on by, so you can snatch me and take me outTonight, I'm gonna give you all my love in the back seat Bubble pop electric, bubble pop electric

Gonna speed it down and slow it up in the back seat

Bubble pop electric

Uh-oh, in the back seatThe need to be satisfied

Come pick me up, I want a ride

Hurry, hurry, come to me

Drive in movie

Drive in, move me

Drive into meBubble pop electric

You've gotta get it

(Straight to me, drive in movie)

Take it to the back seat

Run it like a track meet

(Come to me, drive in movie)Bubble pop electric

You've gotta get it

(Straight to me, drive in movie)

Take it to the back seat

Run it like a track meet

(Come to me, drive in movie)Tonight, I'm gonna give you all my love in the back seat

Bubble pop electric, bubble pop electric

Gonna speed it down and slow it up in the back seat

Bubble pop electric

Uh-oh, in the back seatTonight, I'm gonna give you all my love in the back seat
Bubble pop electric, bubble pop electric
Gonna speed it down and slow it up in the back seat
Bubble pop electric
Uh-oh, in the back seat
