

# Dancin' John Doe

## Drapht

You can't tell John Doe how to dance  
See I can dance I can dance like my name's John Doe  
No one knowing who I am  
See I can dance I can dance like my name's John Doe  
Can't tell John Doe how to dance  
nah he's the chief  
dance to make it rain while the kids would drink  
They're like damn that kid is mean  
While the rest lookin' like Mr. Bean or Pistol Pete  
No no he don't need not the smokin' hot hangin' off his side  
A little like Frankenstein 'cause the day that he died he came alive

John Doe, he's like Sherlock Holmes  
Knowin' what's on his elementary  
He's just like Michael Jordan  
King by the time that he was 23  
So now you say  
Can't tell John Doe how to dance  
See I can dance  
I can dance like my name's John Doe  
No one knowing who I am  
See I can dance  
I can dance like my name's John Doe Can't tell John Doe how to move  
To move

He watched him with his legs like his name's Jon Snow  
You can not tell that man without a name how to move And he was the man, imagine a man you can't fight  
Last man standin', badness like bison  
Phantom to dance like Michael  
When he dance and smile, a Dick van dyke would  
Psycho, whenever the beat dropped  
He had feet like Godzilla, the whole city would heat up  
Soon as he would step to the floor  
You know  
You can't tell John Doe how to dance  
See I can dance, I can dance  
Like my name's John Doe  
No one knowin' who I am  
See I can dance, I can dance  
I can dance like my my name's John Doe  
You can't tell John Doe how to move

No, no  
You can't tell John Doe how to move, no, no John Doe just moved, moved like no one told, he was  
Animated but no cartoon, he was  
More than human, just like you  
But he knew just what to do  
The man danced to a different drum  
Rule of thumb not to succumb and run  
Up in that place with the rest of the raps  
Cause none of them tend to come back John Doe's like Sherlock Holmes  
Knowin' what's on is elementary  
He's just like Michael Jordan  
King by the time that he was twenty-three  
So now you say...  
You can't tell John Doe how to dance  
See I can dance I can dance like my name's John Doe  
No one knowing who I am  
See I can dance I can dance like my name's John Doe  
You can't tell John Doe how to dance  
See I can dance I can dance like my name's John Doe  
No one knowing who I am  
See I can dance I can dance like my name's John Doe
