Max Romeo

revelation time, la la la la  
father help i to be in a position  
where i can fulfill thy works oh jah  
i really don't want to be in opposition  
to the leaders, to the ???, even you jah jahbut they should not trim dreadlocks in prison, prison  
murder of the murderers got to stop  
they should not trim dreadlocks in prison  
liars and thieves should not be cops  
liars and thieves should not be copsrevelation time  
wedge up your hammer  
sharpen up your sickle  
revelation timeif ever i should be in a position  
where i could fulfill thy works oh jah  
i wouldn't want to be a politician  
???and i would not trim dreadlocks in prison  
murder of the murderers i tried and stop  
i wouldn't trim dreadlocks in prison  
liars and thieves would not be cops  
liars and thieves would not be copsrevelation time  
wedge up your hammer  
sharpen up your sicklethe simplest thing is bang bang bang  
what is this on the little island  
if every man was equal you see  
there wouls be none of this povertyand they could not trim dreadlocks in prison, prison  
victimization would have to stop  
they could not trim dreadlocks in prison, prison  
liars and thieves would not be cops  
liars and thieves would not cops
