

# Spacegirl

## DJ Hooligan

Spacegirl, you  
had enough on this ground  
Well take  
another deep shot  
I know that  
life can be so cruel  
We need to shake  
your hands and roll  
Just like  
a freak-bell  
Making such  
a weird sound  
Well turn  
your radio right up  
I know that  
life can be a pain  
We need to let  
it all hang out, hang out  
I wanna live  
like a spacegirl  
Living  
like a spacegirl  
I wanna live  
like a spacegirl  
Freak-head,  
happy as a clean doll  
Always  
gettikng so high  
I know that  
life should be so good  
We need to let  
it all hang out, hang out  
I wanna live  
like a spacegirl  
Living  
like a spacegirl  
I  
wanna...  
Living

like...  
Living  
like...  
Living  
like...
