

Too Hot

Bonnie Tyler

Hearts beating like a drum
Like foxes on the run
Nothing baby, nothing is forever
It's too late to stop me now
You couldn't anyhow Baby can't you see us together
Oh oh tell me baby
Oh oh tell me now, tell me now
Tell me now, baby now [Chorus]
Are you too hot
Can't you see it's forever
I'll sail with you the seven seas
'Cause I know babe what you feel
Are you too hot
Can't you see it's forever
I say it's like a symphony
Baby you know the way I feel
Oh be my eternity
Baby come on back home, baby, tonight Reaching out to take your hand
Together we will stand
Not just in my arms and in my heart
You know I love you so much Alive my life for your to touch
Was it just a favorite from the start
Oh oh tell me baby
Oh oh tell me now, tell me now
Tell me now, baby now [Chorus] Are you too hot
Can't you see it's forever
I'll sail with you the seven seas
'Cause I know babe what you feel
Are you too hot
Can't you see it's forever
I say it's like a symphony
Baby know the way I feel Why are you too hot
Can't you see it's forever
I say it's like a symphony
Baby know the way I feel
Why are you too hot
Can't you see it's forever
