

Love Around the World

Trey Songz

Baby girl I left a piece of my heart
In New York (In New York), in L.A (In L.A.)
Baby 'cause I left a piece of my heart
In Paris (In Paris), in London I've made love
Love around the world, love around the world
Love around the world
I've made love
Love around the world, love around the world
One too many girls I can't expect to give you my heart, to give you my mind
To give you my soul, give you my everything
When I already gave it to her
I can't expect to give you my heart, to give you my mind
To give you my soul, give you my everything
When I already gave it to her
No Baby girl I left a piece of my heart
In New York (In New York), in L.A (In L.A.)
Baby 'cause I left a piece of my heart
In Paris, in London I've made love
Love around the world, love around the world
Love around the world
I've made love
Love around the world, love around the world
One too many girls When I touched down, take off in your city
Check in the hotel, better be on your way like ooh ooh
She love me so
Give it all to me before I go
Girl I'm just letting you know I've made love
Love around the world, love around the world
Love around the world
I've made love
Love around the world, love around the world
One too many girls I can't expect to give you my heart, to give you my mind
To give you my soul, give you my everything
When I already gave it to her, no
I can't expect to give you my heart, to give you my mind
To give you my soul, give you my everything
When I already gave it to her, no Baby girl I left a piece of my heart
In New York (In New York), in L.A (In L.A.)
Baby 'cause I left a piece of my heart

In Paris (In Paris), in London I've made love
Love around the world, love around the world
Love around the world
I've made love
Love around the world, love around the world
One too many girls
