

Is It The Beat

Selena

That sounds close
I know you've taken my lead, am I so easy to read
My eyes must be speaking your name
My touch must burn like a flame
I believe that love doesn't come when you plan
Here I am caught up with these feeling I don't understand
Is it the beat or the beat of your heart
Is it the music or is it body talk
How did you move me and when did it start
Is it the beat or the beat of your heart
That sounds close, night falls and I seem to change
Near you I'm acting so strange
I know we've only just met but dreaming has gone to my head
You and I see nobody else in the place, met your smile
Answer this question, don't read on my fate
Is it the beat or the beat of your heart
Is it the music or is it body talk
How did you move me and when did it start
Is it the beat or the beat of your heart
[Foreign content]Is it the beat or the beat of your heart
Is it the music or is it body talk
How did you move me and when did it start
Is it the beat or the beat of your heart
Is it the beat of your heart, is it the beat of your heart
Is it the music or is it body talk
Is it the music or is it body talk
Is it the music or is it body talk
