

American Honey

Lady Antebellum

She grew up on a side of the road
Where the church bells ring and strong love grows
She grew up good
She grew up slow
Like American honey
Steady as a preacher
Free as a weed
Couldn't wait to get goin'
But wasn't quite ready to leave
So innocent, pure and sweet
American honey
There's a wild, wild whisper
Blowing in the wind
Calling out my name like a long lost friend
Oh I miss those days as the years go by
Oh nothing's sweeter than summer time
And American honey
Get caught in the race
Of this crazy life

Trying to be everything can make you lose your mind
I just wanna go back in time
To American honey, yea
There's a wild, wild whisper
Blowing in the wind
Calling out my name like a long lost friend
Oh I miss those days as the years go by
Oh nothing's sweeter than summer time
And American honey
Gone for so long now
I gotta get back to her somehow
To American honey
Ooh There's a wild, wild whisper
Blowing in the wind
Calling out my name like a long lost friend
Oh I miss those days as the years go by
Oh nothin's sweeter than summer time
And American honey
And American honey
