This Guy's In Love With You (feat. Herb Alpert)

Dave Koz

I know what love is
You see this guy
This guy is in love with you
Yes I'm in love
Who looks at you the way
I do
When you smile
I can tell we know each other
I got to know you
Cause I've heard some talk
They say you think I'm fine
This guy is in love
And what I do to make you mine
Tell me now
Is it sold or let me be the last to know
My hands are shaking
Don't let my heart be braking
Cause I need your love
I want your love
Say you're in love
In love with this guy
.I just die
