

# This Guy's In Love With You (feat. Herb Alpert)

**Dave Koz**

I know what love is  
You see this guy  
This guy is in love with you  
Yes I'm in love  
Who looks at you the way  
I do  
When you smile  
I can tell we know each other  
I got to know you  
Cause I've heard some talk  
They say you think I'm fine  
This guy is in love  
And what I do to make you mine  
Tell me now  
Is it sold or let me be the last to know  
My hands are shaking  
Don't let my heart be braking  
Cause I need your love  
I want your love  
Say you're in love  
In love with this guy  
.I just die
