

# Push

## Crackdown

I'm seeing too much of you lately  
And you're starting to get on my nerves  
This is exactly what happened last time  
    And it's not what we deserve  
    It's a waste of my time lately  
    And I'm running out of words  
    If it's really meant to be  
    Then you can find a way to say  
That maybe you should just shut up  
    Even when it gets tough  
    Baby 'cause this is love  
And you know when push comes to shove  
    It's gonna take the both of us  
Baby this is love, baby this is love, love, love, love  
    It's really great to be with you  
    This is how I could spend my life  
But I'm capable of taking care of myself  
So if you fuck this up then go take a hike  
    It's a waste of my time shaking  
    I'm not going out to search  
    If it's really meant to be  
    Then you can find a way to say  
That maybe you should just shut up  
    Even when it gets tough  
    Baby, 'cause this is love  
And you know when push comes to shove  
    It's gonna take the both of us  
    Baby this is love, baby this is love  
    You and me, we can both start over  
Just the two of us, we can get a little closer  
So follow me, honestly and you will see  
    That maybe you should just shut up  
    Even when it gets tough  
    Baby, 'cause this is love  
And you know when push comes to shove  
    It's gonna take the both of us  
    Baby this is love, baby this is love  
That maybe you should just shut up  
    Even when it gets tough

Baby, 'cause this is love, this is love  
And you know when push comes to shove  
It's gonna take the both of us  
Baby this is love, baby this is love, love, love, love
